

### Application to implement a Regulatory Food Safety Audit System

Approval under Food Amendment (Food Safety Auditors) Regulation 2009

A separate application form must be submitted for each facility

<b>Company name:</b>			
<b>Company address:</b>			
<b>Applicant name:</b>			
<b>Applicant position title:</b>			
<b>NSW Food Authority licence number:</b>			
<b>Facility address:</b>			
<b>Signature:</b>		<b>Date:</b>	

Facilities wishing to utilise the services of an Approved Regulatory Food Safety Auditor must meet the following conditions:

1. Have a satisfactory compliance history
2. Have received either an A or B rating from its most recent audits
3. Operate in an industry approved by the Authority to move to this system
4. Operate at a risk level that has been approved by the Authority to move to this system, and
5. Have no outstanding enforcement action against it.

Please Note: Export registered establishments need to supply written approval from AQIS before applying to utilise this system. For further information relating to export facilities, please contact AQIS.

Please complete this form and either mail or fax to the contacts below. A letter notifying you of the result of your application will be sent to you once your application has been processed.

Further queries should be addressed to the NSW Food Authority helpline 1300 552 406, fax 02 9741 4888 or mail to: Audit administration, NSW Food Authority PO Box 6682, Silverwater NSW 1811.
